

Welcome to **TellMyDoctor.com**TM

—Want better health care?

Patients, Family Members, and Friends ... use this service to ANONYMOUSLY tell your doctor about—

- Anything your doctor (or anyone in the doctor's office) does that bothers you
- Problems with your doctor's waiting area, appointment scheduling, or billing
- Anything that might make you want to change to a different doctor

Anyone Working for a Doctor ... use this service to ANONYMOUSLY tell your doctor about—

- Any of the same kinds of problems listed above
- Anything that would improve doctor-patient interactions

Our private feedback service lets you report problems to your doctor in such a way that ***you're not identified*** as the problem-reporter! There is no fee to report a problem, because doctors pay for this feedback service to get tips on how to improve their services.

See how **EASY** this is! Patients and others: to report a problem to your doctor (and doctors interested in receiving such problem reports), click on <http://www.SolvAnon.com> (or copy/paste that address into your browser).
